

Product Information

Valvoline Glass Cleaner

Cleans and brightens all glass surfaces
Removes stubborn residues
Leaves no streaks
Ideal for cleaning appliances and ceramic tiles
Contains anti-fog additive
Fast foaming formula

Sparkling clean

Valvoline glass cleaner contains a carefully balanced mixture of detergents, wetting agents, cleaners and solvents. Designed for easy removal of hard to clean substances including dirt, mud, salt, insects and bird droppings. Valvoline glass cleaner leaves no spots, smudges or streaks, even at low temperatures. Fast foaming formula stays where it is sprayed and is effective in removing both aqueous and oil carried dirt. Valvoline glass cleaner is formulated with an anti-fog additive that leaves no haze or film behind. Use Valvoline glass cleaner to clean windows, mirrors, windscreens, plastic and Perspex surfaces.

Easy to use

Shake can well. Hold can upright about 15-20 cm. from surface to be cleaned and spray. Wipe dry with a clean, lint free cloth or paper towel.

Technical data

Appearance	Colorless Liquid
Specific Gravity	1.01
Flash Point, °C, TCC	min 73

Product Information

PROBLEM	CAUSE	PERFORMANCE	APPLICATION
Spotted, streaked, smudged or dirty glass restricting vision.	Road film, insect splatters, hard mineral deposits and oil films make driving hazardous due to impaired vision.	Glass and other hard surfaces are left sparkling clean with no smears or streaks. Fast foaming formula keeps the cleaner in contact with the surface until it is wiped dry.	Hold can upright 15-20 cm. from the surface to be cleaned and spray. Wipe dry with a clean lint free cloth or paper towel.
