Valvoline™ Screenwasher AntiFreeze

Screenwasher AntiFreeze is a powerful concentrated blue liquid which cleans and degreases the windscreen of your car and prevents freezing of the windscreen and screenwash reservoir. Special ingredients ensure a clean and clear windscreen for improved vision.

Valvoline Screenwasher AntiFreeze can be mixed with water to meet your needs. Simply follow the label directions to achieve the desired freeze protection.

The Valvoline Screenwasher Antifreeze advantages:

- * Concentrated formula
- * Excellent cleaning power
- * Reliable frost protection
- * Pleasant scent
- * Friendly for car paint and polycarbonates
- * Able to choose the freezing protection you need
- * Suitable for screenwash systems of all major car manufacturers
